

## “SIMPLY ENTERTAINING”

THERE'S NO BETTER WAY TO DESCRIBE VEBA'S NEW AND INNOVATIVE AV MULTIMEDIA SOLUTION!

### AV58KIT - 5.8" MONITOR SYSTEM KIT

Get ready to hit the road in style with VEBA's new AV Kit. The kit comprises a 3/4 DIN multi region multimedia DVD player, two super slim 2 channel 5.8" TFT widescreen headrest monitors, a pair of 2 channel infrared headphones and a remote control. It also comes with an easy fit wiring loom.

Whether for the drive to work, long haul trips with the family, in the caravan or even on the Yacht the AV58KIT offers a complete solution for those

wanting to set themselves up with

a simple, easy to use multimedia system. Apart from playing DVD's this kit also features CD and MP3 playback capability and operates on both NTSC and PAL formats, giving the user a wide variety of entertainment options.

The DVD unit itself can be mounted either horizontally or vertically meaning that choice of location within the vehicle is left entirely to your own imagination – hide it away for subtlety or security or show it off – the choice is yours!
